WELCOME

Welcome to the Route 3 (Plank Road) in Spotsylvania County and City of Fredericksburg Project Pipeline Study (FR01)

Please provide feedback on project ideas to improve safety, accessibility, and traffic flow along Route 3 (Plank Road) from Andora Drive to Carl D. Silver Parkway. Your feedback will help your local leaders determine whether or not to pursue future funding opportunities.

Next

The study corridor faces long delays and lacks adequate walking and cycling facilities. Virginia's Transportation Plan ([VTRANS](#)) identified safety improvements, congestion improvements, bicycle access, transit access, and pedestrian access as key needs. For more study details please visit the [Project Pipeline website](#).
