## 1 Welcome

Learn about this initiative before you begin.

**Welcome to the HR02, Battlefield Boulevard and Oak Grove Connector/Great Bridge Bypass Interchange, Project Pipeline Study**

Please provide feedback on project ideas to improve bicycle access, pedestrian access, congestion mitigation, and safety within the study area (click grey button below to view) at the subject interchange and intersecting roadways. Your feedback will help your local leaders determine which improvements to consider pursuing for potential future funding opportunities.

**Project Pipeline** is a comprehensive process to identify multimodal transportation needs in Virginia. Through this planning process, projects and solutions may be considered for funding through programs, including SMART SCALE, revenue sharing, interstate funding, and others. Visit the Project Pipeline webpage for additional information [vapipeline.org](http://vapipeline.org).
